## **The „Radio – Helsinki - Guide“ to your Broadcast!**

*You have completed the basic workshop and are on the way to the first broadcast.  
What you need and who helps you, that tells you this guide.*

### **Station – To „Ausbildung“ (Teaching): The Rehearsal ... [[ausbildung@helsinki.at](mailto:ausbildung@helsinki.at)]**

*You have a first concept of your show?*

*We accompany you on your first mission: The rehearsal.*

*You send an e-mail to the „Ausbildung“ and describe your concept and make an appointment. A trainer prepares the broadcast with you, accompanies you during the process and can give you a first feedback.*

- The live rehearsal in the broadcasting studio is possible every Tuesday. The preparation starts at 13.00-14.00h; rehearsal from 14.00-15.00h; feedback at 15.00-16.00h and archive, editing for internet 16.00-17.00h.
- If you would like to pre-produce, plan other alternative concepts or have different requests – in that case, please contact our Team of Teachers (Ausbildung).

### **Station - To the program board: Your broadcasting show [[programmrat@helsinki.at](mailto:programmrat@helsinki.at)]**

*You completed the rehearsal - your first show on Air.*

*Then please make a report to the program board.*

*The program board decides who is allowed to broadcast according to our editorial rules. The program board discusses your concept, gives you feedback on your rehearsal and will find a slot with you. Every year, the radio community of Radio Helsinki elect the program board from their ranks.*
